Reform group calls for Assembly to replace the Synod

We Are Church international movement is advocating Pope Francis' call for a revolution in the structure of the Catholic Church

By La Croix International staff | Ireland

A global coalition of national church reform groups committed to the renewal of the Roman Catholic Church based on the Second Vatican Council is advocating for Pope Francis to replace the Synod of Bishops with an Assembly of all the People of God that reflects the diversity of the church.

We Are Church international movement is advocating Pope Francis' call for a revolution in the structure of the Catholic Church
